

## WILSON OFF FOR THE WEST

His Omaha Address to Be His Only Real Speech

### TRIP NOT CAMPAIGN TOUR, HE INSISTS

Only the Regular Stops Are to Be Made En Route

Long Branch, N. J., Oct. 4.—President Wilson was ready yesterday for his first invasion of the middle West since the campaign opened. He left here last night for Omaha, going by way of Philadelphia and Chicago. He will speak in Omaha Thursday night, returning to Shadow Lawn Saturday morning.

Although many requests for the president to speak en route to Omaha have been received, no arrangements for any addresses have been made. He will travel in a private car attached to a regular train and only the regular short stops will be made. He is adhering strictly to his determination not to turn the trip into a campaign tour.

He has not yet decided on all the subjects to be discussed in his Omaha address. While the speech will not be as political in tone as the one delivered here last Saturday, he expects to touch on public questions.

The president discussed the censorship of moving pictures yesterday with William A. Brady and a committee. He said his mind was open on the subject and listened carefully to the argument of the committee.

Following a conference with President Wilson yesterday, Senator Hughes of New Jersey, who as temporary president of the Senate signed the railway eight-hour law, gave out a statement in reply to Theodore Roosevelt's attitude toward the eight-hour day, declaring that the eight-hour controversy would disappear as an issue in the present campaign.

### COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed with Sulphur It Darkens So Naturally Nobody Can Tell

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 30 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

Middlebury has made a more rapid advance in football in the past few years than any other college of its size. Saturday's 6 to 0 victory over Union was an exceedingly creditable performance.

Driggs' punting astonished the natives in the Princeton-Holy Cross game at Worcester Saturday. Speedy Rush has at least the cornerstone of a champion eleven.

### BROOKLYN CLINCHES NATIONAL TITLE

Dodgers' Victory Over Giants and Braves' Double Win Over Phillies Puts Brooklyn Beyond Overhauling.

New York, Oct. 4.—By the Brooklyn's victory over New York, 9 to 6, and the Boston Braves' double victory over Philadelphia, 6 to 3 and 6 to 1, yesterday, Brooklyn won the National league pennant. The Dodgers are two and one-half games in the lead. Both Philadelphia and Brooklyn have two games to play, and should Philadelphia win both and Brooklyn lose both Brooklyn would still be one-half a game ahead.

#### SATURDAY IN BOSTON.

The World's Series Will Open on Braves' Field.

Boston, Oct. 4.—The world's series will begin in Boston Saturday, Oct. 7, and the second game will also be played on the Braves' field Monday. The third and fourth games will be played in Brooklyn on Tuesday and Wednesday. If a fifth game is necessary it will be played in Boston, and the sixth, if necessary, in Brooklyn. In case no decision is reached at the end of the sixth game the seventh will be played in the city which wins the toss of a coin.

### BASEBALL BRIEFS

The Red Sox rookies lost both ends of a doubleheader to the cellar champions yesterday, when the lowly Maeks won by the scores of 5 to 3 and 7 to 5, respectively.

Alexander won his 16th shutout of the season when he kalsomined the Braves 2 to 0. The sporting writers have been talking that Alexander was nearly all in, but this performance shows him at his best, as he held the Braves to three scattered hits.

Boston has now 20 major league baseball championships to its credit. Four National association (1872 to 1875, inclusive), nine National league (1877, 1878, 1883, 1891, 1892, 1893, 1897, 1898, 1914), one Brotherhood league (1890), five American league (1903, 1904, 1912, 1915, 1916), and one American association (1891). Chicago comes next with 13, three in the American league and 10 in the National league.

Harold Janvrin will probably get into the world's series as a regular for the first time in three championships won by the Boston team since he played with them.

Coach Mitchell of the Harvard baseball squad was not able to meet the 30 men who reported Monday afternoon for the initial practice of the season. The team's work was directed by Capt. Abbott, the squad being divided into four teams. Among the veterans who participated in the afternoon's workout were Knowles, left field; Reed and Borthfield, shortstops; Beale, third base.

Rube Marquand, who is a hero once again, could tell us much of the fickleness of fans. When he won his long string of victories for the Giants a few years back he was hailed as the most wonderful pitcher in the National league, but when he slumped, his followers failed to remember his once great feats. Now that he is in the limelight again his past is all brought before him and he is greeted as one of the greatest of comebacks. Tris Speaker, like Alexander, always tried too hard in a world's series game.

## World Series!

City Hall, Montpelier, Vt.

Watch the Ball!

The Baseball Play-O-Graph (PATENTED)

The game reproduced in all its details as actually played on the ball field. A real BALL thrown to all parts of the field, showing the runner out or safe at the bases. Fouls, fly balls, wild throws, etc., a dozen different plays, all shown as originally made.

The Play-O-Graph is the same machine as used last year in the City Hall and is the originator of and the only successful exponent of the moving ball.

It always plays the game as it is and shows no catch-the-eye fakes.

It enjoys the national reputation as the standard of excellence from the Atlantic to the Pacific.

He seemed to think that too much rested on his shoulders. The same thing might be said of Ty Cobb in his three world's series. As American league batting champion and the greatest all-around ball player in either league he knew he was being watched more than any other participant and it threw Cobb off his play. He did not act natural. Easy-going stolid Frank Baker never let a little thing like a crowd worry him. For three world's series he averaged above 400 before the Braves' pitchers halted him in 1914.

### ALONG THE SIDELINES

Charley Brickley is trying Fitzgerald out at quarterback in order to remedy the greatest defect in his eleven. Fitzgerald was considered a very clever general when he attended Boston Latin, and with his heady work at this position, he may be of great assistance to the Boston team.

Professional football will be played at the Cleveland baseball grounds this fall and very probably something similar will be pulled off at the Braves' park this year.

A new wrinkle started by Coach Crowell of the Lafayette college football team this season is to have the entire team sleep in tents throughout the football campaign. Crowell seems to be developing a strong team, as the light team representing Lafayette held the husky eleven from Fordham to a tie.

### WATERBURY

The following account of the O'Brien-Kavanaugh wedding tells more of an event which was of interest to many here. St. Roman's church in Hemmingford, P. Q., was the scene of a pretty wedding a week ago Wednesday morning at 8 o'clock when Miss Annie Mary Kavanaugh was married to Robert John O'Brien. The ceremony was solemnized by Rev. Fr. Guyette, who sang a nuptial high mass. The single ring service was

used. The bride was attended by her sister, Miss Eva Kavanaugh, as maid of honor, while Thomas Flannery was best man. They were also attended by Joseph Kavanaugh and Robert O'Brien, sr. The bride was becomingly gowned in white crepe de chine, wore a veil and carried a white prayer book and white roses. The maid of honor wore pink crepe de chine, white picture hat and carried white roses. After the service a wedding breakfast was served at the bride's home. At the conclusion of the repast, the newly married couple left by auto for parts unknown. The bride's going-away suit was blue, with hat to match. After two weeks' vacation, Mr. and Mrs. O'Brien will reside in their newly furnished home on Winslow street, Waterbury. Mr. O'Brien is a well known clerk in the store of F. C. Lamb and the bride has been employed as nurse, and for the last six months assistant supervisor at the Vermont state hospital. They have

many friends in both Waterbury and Hemmingford, who wish them a long and happy life in this community. Many handsome gifts were received, both in silver and furniture, also \$500 from the bride's parents. Aside from relatives in Hemmingford, there were present at the wedding Mr. and Mrs. Robert O'Brien, sr., Mr. and Mrs. Addison Colton, Misses Eva Kavanaugh, Ina Gabree and Vera Ballou and Thomas Flannery of Waterbury. The home of the bride was beautifully decorated with ferns, sweet peas, asters, roses and carnations.
